ITS STYLE

The DOMAINE collection is inspired by the Louis XVI style. This historic style stands out in furniture for the simplicity of its lines, the balance of its form, and the nobility of its material.

Sublimated by massive oak, the DOMAINE collection highlights itself very easily in all interiors thanks to carefully studied patterns and a Classic Chic allure that will never go out of fashion.

As a total look or as small touches, the demi-lune chests, pedestal tables, and chairs become real masterpieces in your interiors.

THE ADJECTIVES

A collection supported by the codes of Louis XVI style:

> CLASSIC CHIC STYLE:

This style reminds one of beautiful private apartments, refined materials, and beautiful concepts.

> REFINED AND ELEGANT

The simplicity of its lines and patterns make this collection harmonious and elegant.

> A TIMELESS COLLECTION

Furniture in this collection matches all sorts of interiors and styles.

THE MERCHANDISING CODES

The DOMAINE collection fits in a Classic Chic style. The decorations accompanying this collection must be refined and elegant, with a preference for white porcelains, crackedled vases, and decorative objects made of white wood.

This collection fits marvellously with the following decoration collections:

CACHEMIRE (opposite), PROVENCE, CLAIR, OBSCUR, PLUME, RIVIERA, ATELIER, ESPRIT BAROQUE, and BASICS items.

MANUFACTURE & FINISHING

MASSIVE OAK STRUCTURE

The quality and the precious nature of oak provide the collection with a guarantee of robustness and good aging, as well as recognized added value.

ARTISANAL PATINA

The know-how and long manual process provide the patina with charm and an inimitable personality and make every piece of furniture unique.

FINISHING

The buttons on the collection's furniture are made of metal with bronze finishing, which reinforces the «Classic Chic» identity and the elegance of DOMAINE furniture.
